To be consistent with semester 1, there will **not** be exams in June. Students will be completing culminating activities in all of their courses. Your teachers will provide you specific details for each course over the next few weeks.

The DSBN has been conducting a “**My Voice Counts**” Student Census Survey to better understand our students and their families. The survey results will inform future decisions to better support your learning. If you have not completed the survey yet, please complete it by Friday May 7th using the following link:
